VOL. XLVII. UPLAND, CALIFORNIA, TUESDAY, JULY 1, 1941. NO. 16.

JULY 4 FIREWORKS PROMISE SHOW OF GREAT BRILLIANCE

C. of C. Suggests West End Residents Invite Relatives and Friends

Upland, Cucamonga, Alta Loma Etiwanda, and all West End residents are invited to view the Fourth of July fireworks display sponsored by the Upland chamber of commerce. It is presented for the entertainment of everyone in the surrounding communities and the passing motorists.

On the Fourth of July for the past eight years, this celebration has entertained thousands with a spectacular display of fireworks, increasing in magnitude until this year the most magnificent pyrotechnic display has been ordered. It promises to be the best, the biggest, the highest, the loudest, and the brightest of all.

PARK EARLY

The program will begin at 8 o'clock in the evening and last about 45 minutes.

From the crest of Lone Hill, one mile east of Euclid avenue, Upland, on Foothill boulevard (Highway 66), the display can be viewed by motorists on many highways and avenues, including Sixteenth street, or Baseline, and San Bernardino road. A large parking area is conveniently located just opposite Lone Hill on the highway.

The traffic is successfully regulated each year by the highway patrol and local patrol cars, and the parking by the American Legion and Boy Scouts.

INVITE FRIENDS

For the past several years it has become the custom of families in the communities to invite out-of-town relatives and friends to view the fireworks display and enjoy a picnic reunion.

While the Upland chamber of commerce has sponsored this celebration, many Upland business men and organizations and individuals in the surrounding communities have contributed to the fireworks fund—thus assuring a most outstanding display for this patriotic occasion.

Mrs. Blake Draper Of Ontario Passes Away Early Sunday

Mrs. E. Blake Draper, 217 East C street, Ontario, passed away at 1:15 Sunday morning in the Pomona Valley hospital, following an illness of several weeks.

Mrs. Draper was the daughter of Mrs. Ellen Carlton and the sister of Mrs. C. E. Grier, both of Upland.

She was a native of Osakis, Minn., and had lived in California for 20 years, residing in Ontario for the past 10 years.

Mrs. Draper is survived by her husband, her daughter Ellen, who resides in Orange; her mother and sister in Upland and two brothers, Garry B. Carlton of Arcadia and James B. Carlton of Grand Forks, N. Dak.

Funeral service was held at 9:30 this morning at St. George's Catholic church, with the Rev. Albert Dontonville officiating. Entombment took place in Bellevue mausoleum.

The J. B. Draper Co. was in charge.

High Scholarship Rank Is Attained By Local Student

Robert Lawhead, son of Mr. and Mrs. Rex. F. Lawhead, has maintained a grade point ratio which ranked him in the upper fifth of the sophomore class this past semester and is therefore eligible for a continuation of his career scholarship at the University of Redlands for the coming year.

Lawhead, a graduate of Chaffey high school, has been active in student affairs at the University of Redlands. He is a member of Alpha Gamma Nu fraternity and has served as freshman tennis manager. He is majoring in physics with a minor in mathematics.

Stores To Close For Fourth; News Will Print Early

Upland stores will close all day Friday in observance of the Fourth of July, 165th anniversary of the independence and birth of American democracy.

This was the word given out today by Upland chamber of commerce through Secretary H. M. Guy.

Some stores may close both Friday and Saturday, Mr. Guy said, but such action is entirely optional with each business. However, it was indicated that the two-day closing would be observed by very few firms.

Upland business will continue as usual on Saturday.

The Upland News will be published on Thursday this week instead of Friday. Advertisers' cooperation in preparing copy early will be appreciated. News copy should also be turned in a day in advance of the usual schedule.

WINNERS GIVEN LETTER AWARDS

Judges Give First Place to Mrs. Bailey—Miss Williams Is Second

Letter writing about The Upland News page seven advertisements is becoming a popular and profitable pastime for readers.

Mrs. Mary Bell Bailey, 282 Sixth avenue, was awarded first prize of $7.50 by the judges for the best letter this week, telling why she liked the specials advertised on page seven.

Miss Dorothy Williams, 354 South Euclid avenue, received the award of the $2.50 second prize for her letter setting forth her reasons for approval of page seven advertising.

Judges of the letters were unanimous in their choice of the winners, and at the time of judging neither judge knew who the other was. Neither did they know the identity of letter writers. Signatures were clipped from all letters as they arrived at The News office, and then the letters and signatures were given corresponding identifying numbers. To the judges the writers were only "numbers", and after they had indicated their choice of winning letters, the writers were again identified by number.

Serving as judges were: Mrs. George Cassell, winner of last week's letter writing contest, and Mrs. Douglas Black, secretary of Upland Housing Authority.

Mrs. Louella Lookingbill, 295 Eighth avenue, received third place mention for her letter.

Asked how it felt to be a winner, Mrs. Bailey said: "It's just grand! Of course", she continued, "I wrote the letter with the hope that I would win, but even then I didn't really expect to, so that makes it all the better".

There will be no letter writing contest next week.

Ask Six-Year Term For Driver Permits

Renewal of drivers' licenses may be required only every six years instead of four if a bill now on Governor Culbert L. Olson's desk is approved by the executive. The governor has been importuned by both the Automobile Club of Southern California and the California State Automobile association, in the north, in letters just dispatched to sign the measure which passed both houses of the legislature without a dissenting vote.

The change would also reduce pressure on department of motor vehicle offices, permitting them to examine applicants more thoroughly. It is pointed out that extension would obviate the necessity for increased personnel and funds to keep up with the work in the division of drivers' licenses.

TIOGA PASS OPEN

Tioga pass, highest crossing of the Sierra Nevada range, was opened to travel June 20. This route between Yosemite and Owens valley is the last to open, and Sonora, Kit Carson and Ebbetts pass routes in the High Sierra are also clear to travel.

LOCAL USO DRIVE SWINGS INTO LAST LAP OF CAMPAIGN

Committees Being Organized Among Employes in All Packing Houses

The sum of approximately $100 is yet to be raised to reach Upland's USO quota of $800, and the opportunity to subscribe at least a large portion of that amount is being offered to the employes of all the citrus packing houses in Upland.

Frank C. Buffington and other members of the local campaign committee today are contacting foremen and others in the various packing houses and arranging for group subscriptions.

It is planned to have sub-committees organized by the employes, who will conduct their own campaigns. The money they subscribe will go into the general quota fund, with the employes in each packing house being given full credit for the amounts they raise.

Carrying of the campaign directly to the packing house employes, does not lessen the need for contributions from all others who have not yet given to the USO fund, it is emphasized by Mr. Buffington.

The USO fund being raised throughout the nation will be used in establishing wholesome entertainment and recreation centers at army training camps. Boys going into the army from Upland will be benefitted, as will the boys from all other towns, and it is much to be desired that Upland citizens bear their share of the financing, it is emphasized by the campaign committee.

Owen E. Atwood, campaign treasurer, states contributions to the fund may be left at either of the local banks.

The USO project is proving to be a popular cause in Upland as well as in all other places throughout the country. Interest shown by citizens everywhere indicates the general concern felt for the welfare of the nation's "soldier boys".

County Opens Road Via Old Mill Creek Route to Big Bear

San Bernardino county has opened the road from Clark's ranch turn-off to the summit in the San Bernardino mountains. The road will be maintained throughout the summer, permitting travel over the old Mill Creek route to Big Bear lake, but it is not considered an advisable thoroughfare for general travel.

ANDREAS BILL IS SIGNED BY OLSON

Act Eases Redemption of Tax Delinquent Lands Without Penalties

A bill making a major change in the delinquent tax act to permit redemption of property sold for taxes, which was introduced by Assemblyman Godfrey A. Andreas, Upland, with two other assemblymen, was signed yesterday by Governor Culbert L. Olson.

Assemblyman Andreas told The News this morning that he had received a telegram from the Governor informing him of the bill's signing.

Taking effect immediately, redemptions under the act must be started within 80 days. Under the new law, property sold for taxes may be redeemed by payment of 5 per cent interest for three years and no penalties.

The old law required the payment of 7 per cent interest from the time the property became delinquent, and also the payment of penalties. There are now millions of dollars worth of tax delinquent lands under the jurisdiction of the state controller.

Co-authors of the bill, AB1635, with Assemblyman Andreas were Ralph Dills and Ray Bennett.

No Place to Go

With 30,000 soldiers in training near a small town, a fellow can't even find a place to sit when he gets leave from camp. It may be only a step from this lamp-post to a saloon or gambling place. The United Service Organizations is going to remedy that. Soon there will be a spacious, homelike U. S. O. service club offering this soldier wholesome recreation and guidance.

13TH ARMY CALL SUMMONS 13 MEN

Four Upland Men Leave With Group Next Tuesday—Next Date Not Set As Yet

Superstition has no place in army routine. So it is, 13 men will leave Upland next Tuesday morning, July 8, in answer to the 13th service call for induction into the United States army in accordance with selective service procedure. All the combination lacks to top it off is a Friday the 13th for induction, but somehow or other, the army overlooked that minor detail.

Following the usual pattern, the men will report at the Upland board office at 6:15 a. m. for instructions and appointment of a leader. Then they will entrain on the 6:46 Santa Fe train for the trip to Los Angeles induction headquarters.

The 13 men who will report for the 13th call are: Elwood Bruce Hartzog, Jack Zane Powell, Willard Moulton Turner and Kenneth Durward Robbins, Upland; Gilbert Sanchez, Cucamonga; Walter William Hosier, Ontario; John Roderick Phillips and Fernando Lara Bernal, Victorville; Joe Jones, George Baxter Blakley and Terrence Dent Puryear, Truna. Making up the 13 are two transfers: Noble Barclay Holforty, Detroit, Michigan, via Alta Loma, and Orville Eugene Hawkins, Chicago, Illinois, via West End.

The four men from Upland make the largest number of local men to be summoned in any single call so far. This call brings to 142 the total number of men so far inducted into the army through the Upland board.

DeVon Francisco Takes "Vacation"; On Duty at Trona

DeVon Francisco, Upland police sergeant, is on his vacation at this time, if patrolling under the Trona sun can be called vacation. At least he is taking a change of scenery for two weeks.

He is putting in his "vacation" period doing strike patrol at the desert nitrate plant, where a serious strike condition is said to have held up production of materials vitally necessary to national defense for a period of several months now.

Officer Francisco is expected to return from his "vacation" around July 9.

J. L. MESSENGER DIES EARLY TODAY

Well Known Business Man of Upland Will Be Laid to Rest Thursday

Jesse L. Messenger, widely known real estate dealer, passed away shortly after 5 o'clock this morning at his home, 810 East Ninth street.

Mr. Messenger, in charge of the real estate department of the Empire Realty and Mortgage Co. until illness intervened, came to Upland from Yucaipa 11 years ago. Later he made his home in Ontario, although continuing his business here.

Recently Mr. and Mrs. Messenger had erected a home on East Ninth street and occupied it only two weeks ago.

Mr. Messenger had been ill of a heart ailment for several months.

A native of Hillsboro, Kan., he came to California 35 years ago and had resided in Whittier and in Yucaipa before coming to Upland. He was a member of the Upland Methodist church.

Mr. Messenger would have been 70 years of age on Wednesday. He was a genial, kindly man, whose sincerity easily won the confidence of all whom he contacted and he was held in high esteem by many friends.

He leaves his wife, a son, Frank D. Messenger of Lansing, Mich., and a sister, Mrs. Lucy Hixon of Hiatville, Kan. There also are relatives in Santa Monica.

Funeral service will be held at 2:30 Thursday afternoon at Stone's chapel and interment will take place in Bellevue cemetery.

Legion Fireworks Headquarters Is Ready for July 4

American Legion fireworks store in tre Manker & Benson building, 142 East Ninth street, the only agency in Upland licensed to sell Fourth of July celebration combustibles, is headquarters for noisemaking aids and accessories.

Boy Scouts have been busy the past few days assisting the Legion to get its stock of fireworks in order. All they need, they admit, is one match to do the job up brown. A full supply of firecrackers, candles, and other celebrating materials within the requirements of California law may be secured from the Legion store.

CUCAMONGA CCC BECOMES GHOST CAMP IN GROVES

Boys and Executive Staff Are Divided Among Other Camps

Cucamonga CCC began to take on the appearance and being of a "ghost" camp yesterday afternoon with the departure of most of the camp personnel about 4 o'clock. All that remained were members of the camp executive staff, who, with the aid of eight remaining boys, were busily engaged in the final task of pulling up stakes.

Boys left yesterday afternoon afternoon in two contingents. To Mill Creek comp near Mentone went one group of 36 to join Co. 1943, while the remainder of 35 were assigned to Company 2948 at Camp Vista near Vista. No sooner had the boys departed than those who remained began the loading of large trucks. Into these went all camp equipment which had been carefully counted and checked to be transported to district headquarters at Van Nuys.

Camp executive personnel were unanimous in expressing their regret at leaving Cucamonga CCC and Upland, where they have formed many pleasant associations. The camp, it is said, will be entirely vacated within the next two or three days, with camp personnel and members of the executive staff scattered to some half dozen camps throughout California.

Lieut. Frank L. Mann, camp commander, will report to district headquarters in Van Nuys, where he expects to be on temporary duty pending further regular assignment from the army office.

Lieut. Edmund J. Jensen, second in command, will move up from Cucamonga Company 1950 to Company 1951 at Purisima camp near Lompoc, to which he has been assigned.

D. W. Thomas, who has been in charge of the motor pool at Cucamonga CCC for two and a half years, is being transferred to the CCC camp at San Ramon near Oakland.

Rufus R. Richmond, camp educational director, and Ernest L. Barbour, Jr., chief clerk, are both to be transferred to the Somis CCC camp near Ventura.

John L. Merriam, camp engineer, who has been active in Boy Scout work in Cucamonga while connected with the Three C's here, has been transferred to the Soil Conservation Service, and is working on flood control in San Fernando valley.

Alma J. Plumb, camp conservationist, is now with the Soil Conservation Service area office in Santa Ana, and is working on the Las Posas project.

PATRIOTISM IS ROTARY SUBJECT

Rev. George West Barrett in Interesting, Sensible Discussion

That some of the best programs at meetings of the Upland Rotary club are given by members of the organization was evidenced again today when the Rev. George West Barrett gave a most enlightening and sensible talk on patriotism. Stating that patriotism is absolutely essential and a primary virtue, he also charged that it is sometimes clothed in hypocrisy. In the latter connection he noted the one hundred or so subversive organizations in our country parading under patriotic names.

In enumerating the essentials of patriotism Mr. Barrett mentioned the following: Devotion to truth, unity, right kind of pride and willingness to take one's part in affairs of the world. He enlarged on each of these points and after the meeting received many compliments on his splendid address.

The meeting was in charge of the new president, Frank K. Nichols, who was given a rousing reception, while Jake Voth officiated as the new sergeant-at-arms.

Embattled Bucks Beat Police Dog In Uneven Fight

Commotion of a battle royal between mountain denizens and a domestic animal aroused inmates of the county prison camp on the Glendora road above Camp Baldy between 4 and 5 a. m. the other morning.

Turning out to learn the cause of the rumpus, the men saved a police dog which had been set upon by two buck deer and was getting the worst of the conflict from the sharp hoofs and angry antlers of the embattled due.

C. E. Huse, who took the injured dog to the ranger station, reports that the animal is making a good recovery from his unfortunate mix with the bucks. He says that the dog had probably strayed from some valley home, as he appeared very footsore. He is keeping the animal, which he says is a good dog and an effectionate pooch, in hopes that someone may claim him.

MRS. RAY LOVESEE MISSES CASH PRIZE

$2 Consolation Paid — Jack-Pot Hikes to $63 for Saturday Draw

Mrs. Roy Lovesee, 896 Fifth avenue, Upland, was able to qualify for but $2 of the Upland Merchants' dividend day money when good fortune called at her door last evening.

Failure to win more of the jackpot money, Mrs. Lovesee admitted, was due to the fact that she had really "not paid much attention to the dividend day idea." Although she had obtained some sales slips Saturday, she had not been careful to save them, so, sans slips, sans dividend.

Anyhow, $2 is $2 any time. "I appreciate receiving the $2", Mrs. Lovesee said, "it is just like finding that much even though I am sorry I cannot qualify for the rest".

"It is an ill wind that does not blow good to someone", it has been sagely said. So the wheel of fortune continues to turn, and, in this the case of Upland Merchants' divided day money, it is the one rolling stone which gathers moss, the green folding kind beautifully engraved and embellished by the United States treasury. This Saturday's jackpot goes to $63.

"Round and round she goes, and where she stops, nobody knows."

Ernest H. Gibson Now With Empire Realty & Mtg. Co.

The Empire Realty & Mortgage Co., Ltd., announces today in the advertising columns of The News that Ernest H. Gibson has been secured to handle the real estate department of that concern.

Mr. and Mrs. Gibson recently returned from Inglewood, after a residence there of several years, and their numerous friends and acquaintances have been giving them a hearty welcome. Mr. Gibson has had business experience that qualifies him for the real estate line and has been granted a state license to operate in that capacity.

During their previous residence here Mr. and Mrs. Gibson were prominently identified with church and social affairs and he was very active in the Upland chamber of commerce as a director and worker.

J. L. Messenger, who has been handling the real estate transactions for the company for some years, passed away this morning after a long illness. Because of the friendly, courteous and competent manner in which he conducted the department, Mr. Messenger held the esteem of his business associates and patrons and his passing is genuinely regretted by many residents of Upland and vicinity.

There are people who never seem to get a chance to do anything except the things they can't do.

SOIL CONSERVATION WILL BE CARRIED ON UNDER NEW SET-UP

Wind Erosion District Being Organized to Continue Program of CCC

With the closing of Cucamonga CCC, growers in the wind area are forming the Cucamonga-Mountain View Soil Conservation district to carry on the work of combatting wind erosion which was inaugurated and has been developed by the CCC camp over a period of several years.

A group of forty growers of the district have elected a committee of three of their number to work out the details of organization. Those serving on his committee are: Henry Lucas, Ontario; Fred Signorio, Guasti, and J. Lowell Merrill, Mountain View.

FEDERAL AID

The setting up of such districts has been enouraged by the Federal government for a number of years, and there are now over 500 such districts in operation through out the country. By this means growers organize to cooperate in working out their problems and methods of control in order to accomplish more than they can as individuals.

The principal problem of the Cucamonga - Mountain View district will be one of the control of wind erosion. The problem will be studied so as to effect control at the least cost through cooperative effort. There is some prospect, it is said, that the district may be able to secure the aid of WPA labor in carrying out the conservation program.

CONSULTANTS REMAIN

Arthur L. Darsey, camp superintendent of Cucamonga CCC, and John O. Dean, camp agronomist, will remain at Cucamonga CCC, where they will continue the work of the Soil Conservation Service in a consulting and advisory capacity. They will continue to aid growers with conservation problems and methods as such need arises in the work of the newly formed district.

Final meeting of the organizing district prior to the circulation of petitions is to be held in the Guasti school, Wednesday evening, July 9, at 7:15. The committee hopes that enough signers to carry the petition will be present at that meeting in order to expedite setting up of the district. Upon the securing of sufficient signatures, the petition will be presented to the San Bernardino county board of supervisors for their consideration and action.

Photo Light Meter Taken From Parked Car on 11th Street

Theft of a Weston photographic light meter from his car while it was parked out on West Eleventh street on Sunday was reported to Upland police by O. G. Brickbauer, 1223 Hamilton boulevard, Pomona.

Mr. Brickbauer said that he left his car unattended for about 30 minutes, and when he returned the meter had been removed from a leather case lying on the front seat. His camera and film in the car had not been disturbed.

A little girl living near by reported two boys were fooling around the car while Mr. Brickbauer was away. Their names were obtained, and the matter was turned over to Deputy Sheriff Cecil S. Myers for investigation.

J. H. Haddow Is Seeking Owner of Warfaring Turtle

J. H. Haddow has a turtle in a pen at his home, 791 North First avenue.

Mr. Haddow is not especially fond of turtles, although he does get a "bit of a kick" out of seeing the crusty creature eat lettuce from his hand.

However, he does not want the turtle, a stray in his yard, to face the hazards of street traffic, so he has placed it in a pen.

He thinks the turtle is some child's pet and he wishes the owner would call for it.

The Upland News

Established in 1894

Published every Tuesday and Friday afternoons at 170 North Second Avenue, Upland, California. Telephone 311-06. Entered at the Upland post office as second class mail matter. Annual subscription is $2.50; single copies, five cents.

Vernon V. Paine.....Editor

Upland has a population of 6,316 (1940 census). It is located on Foothill Boulevard in San Bernardino County; 34 miles east of Los Angeles and 20 miles west of the city of San Bernardino.

Cotton Is King In California

If, like many Californians, you consider cotton synonymous with Dixie, it's time word was passed around that California, land of citrus groves and golden oranges, has an incontestable right to share King Cotton's crown.

The cotton fields covering the fertile Central valley for hundreds of thousands of acres are, in fact, the envy of Dixie and a marvel to the rest of the world. The final report on what they produced during 1940 has just been made public and reveals the amazing record of 749 pounds per acre. That average tops that of New Mexico, the No. 2 state, by 173 pounds, and is more than four times greater than that of Texas, the biggest cotton state.

The state's growers reserve a large measure of credit for putting cotton on the California map and making it an important source of farm income. Since 1938, they have put their shoulders behind four nation-wide campaigns, and with the whole-hearted assistance of mass retail stores informed the public of the varied and valuable uses of cotton through retail outlets from coast to coast. They not only turned to the tried and tested machinery of farmer-consumer campaigns to get their goods to market, but by concentrating on a single variety of cotton for the last 15 years, they achieved a product as superior in quality as it is in yield.

All the evidence declares that King Cotton, who got his start in the south, now has a California empire second to none.

The President Has the Kind Of a Supreme Court He Wants

Time has given Mr. Roosevelt what Congress refused to give him when he proposed his Supreme Court enlargement measure—the right to staff the court with Justices whose social and economic ideals parellel his.

He has now appointed seven Justices, a record equalled only by Washington, who, of course, appointed the entire first Court, but it only numbered five Justices then. Justice Stone, a Collidge appointee, who has been elevated to Chief Justiceship, has voted favorably on most new deal legislation. Justice Roberts, a Hoover appointee, has a middle of the road record—he has voted for some new deal laws, against others.

This Court will exert a great influence on the country for generations to come. Most of the members are young men. A long and important list of new precedents may be expected.

Today Is Another "R" Day For Many Youths

It's registration day for 21-year-old men. Of the several score expected to register in the Upland district, many might just as well start preparing to be in the army pretty soon.

Uncle Sam's army is now reported to be well past the one million and a quarter mark. Soon the army will include 1,500,000 men.

Today's registration applies not only to American citizens, but also to all aliens who have reached their 21st birthday anniversary since the last registration day.

REVIEW OF BOOKS AT LOCAL LIBRARY

BY MRS. RUTH WEST,
Assistant Librarian

In "Cadiz to Cathay" by Mils P. DuVal, Jr., there is given the story of the long struggle for a waterway across the American Isthmus. Other writers have dealt with special phases of the Panama Canal, writing usually from the viewpoint of some particular country or individual. It has remained for Commander DuVal to put into a single book the complete story, prefaced by a brief historical background from the time of Columbus on. In tracing and reconstructing the events which led to the final realization of the canal, the author gives due credit to each of the nations and leaders involved. He shows how the emergence of the United States as a recognized world power following the Spanish-American war brought about the stirring events which culminated in securing control of the Canal Zone by the United States. Much of importance in future events depends on diplomatic relations in the American hemisphere.

ROMANCE OF GEOGRAPHY

Hendrik Willem Van Loon has added another to his long list of geographical studies. Always, he proves that geography is a live and vital story, presenting in popular vein many phases of the world's development. In the "Story of the Pacific", "Let's forget," says Van Loon, "what we were taught in school. Let's realize how great that story is. Think how those far-flung islands were settled by the primitive Polynesians centuries ago. Their voyages over the Pacific waters make our own western explorers look like clumsy amateurs. Journeying thousands of miles without a landfall, in canoes, they established themselves in communities as far separated as New Zealand and Hawaii. And they kept in communication with each other for hundreds of years, traveling back and forth in small boats over the wastes of water. This was long before the time of the white explorers — Balboa, Magellan, Tasman, the Dutch explorers and their competitors, and, the greatest of them all, Captain James Cook. These discoverers took back to Europe the knowledge of the vast, primitive world of the Pacific. And also carried to the lovely paradise all the curses of our western rivalries."

Presbyterian Women Will Hold Meeting Thursday, July 10

Meeting of the Presbyterian Women's association, regularly scheduled for Thursday, July 3, has been postponed because of the Fourth of July holiday, it is announced by Mrs. G. Vernon Sleuman, president.

New date set for the meeting is Thursday, July 10, and an interesting program is being arranged for that time.

If all the chronic horn tooters in the country were laid end to end there would be few tears shed.

Notes of Society

Wesleyan Bible Class Meets at Home of Mrs. Moser

Gathering for their June social meeting, members of the Wesleyan Bible class of the Methodist church were guests of Mrs. L. E. Moser Friday at her home, 535 West Twenty-first street. Mrs. W. B. Sage. Mrs. C. S. Kelley and Mrs. William T. Schaffner assisted Mrs. Moser as the hostess committee.

Garden flowers were used in decoration of the rooms and adorned the tables where the contributed dish luncheon was served at the noon hour.

Following luncheon, Mrs. D. C. Sutton conducted the devotions. Mrs. Flora S. Allen, president, presided at a short business sessionn, and it was decided to accept the invitation of Miss Lillian J. Williams to hold the July meeting at her home. The remainder of the time was spent in informal visiting.

Attending the meeting were: Mrs. J. B. Ford, Mrs. H. O. Henderson, Mrs. Louise Wilson, Mrs. C. H. Alvord, Mrs. Henry Livermore, Mrs. Flora S. Allen, Mrs. Alice Erixon, Mrs. Anna Lamb and her house-guest, Mrs. Patton, of Long Beach; Mrs. Virginia Eberly, Mrs. Stacy Haines, Mrs. D. C. Sutton, Mrs. Mary Cadnum, Mrs. Etta Johnston, Mrs. Dora L. Hilbert, Mrs. T. I. LaPlant, Mrs. Mary E. Waterman, Mrs. Luella Genung, Mrs. W. H. Scholten, Miss Lizzie Littooy, Miss Lillian J. Williams, Mrs. William T. Schaffner, Mrs. W. B. Sage, Mrs. C. S. Kelley, and Mrs. Moser.

• • •

Mrs. Deverts Hostess At Smart Bridge Luncheon

Mrs. Charles O. Deverts was hostess Friday afternoon at her home, 719 North Second avenue, entertaining a group of her friends at an attractively appointed bridge luncheon.

Garden flowers decorated the rooms and the tables where luncheon was served at 1 o'clock.

Following luncheon, the guests spent a pleasant afternoon at the card tables. At the close of the tourney, Mrs. Harry M. Guy received the prize for high score, Mrs. G. A. Brest, second, and the consolation award went to Mrs. Alma Nelson. Mrs. W. C. Jones captured the traveling trophy.

Enjoying the hospitality of Mrs. Deverts were Mrs. J. F. Sawyer, Mrs. Ernest C. Mehl, Mrs. Blanche M. Loch, Mrs. Roy Creighton, Mrs. Walter H. Andrews, Mrs. Franklin M. Baxter, Mrs. Mary A. Eckerman, Mrs. Verner H. Wilson, Mrs. Ray C. Norton, Mrs. Harry W. Flowers, Mrs. G. A. Brest, Miss Eunice Mitchell, Mrs. Alma Nelson, Mrs. George Gregg, Mrs. Harry M. Guy, Mrs. W. C. Jones, Mrs. Roy A. Ray, Mrs. Naomi Koster Dazey, Mrs. D. D. Crew of Ontario, and Mrs. Gust Anderson of Pasadena.

• • •

Mary Brainard Tent Benefit Party Is Well Attended

The benefit card party sponsored by Mary Brainard tent, Daughters of Union Veterans, on a recent evening in the W. R. C. Memorial hall in Ontario, added a nice sum for carrying on their community projects.

Bridge and Chinese checkers were played at 10 tables, and several prizes were awarded at the close of the games. The party was concluded with the serving of refreshments.

Committee in charge of arrangements included Mrs. Florence E. Stamm, Mrs. T. A. Evans and Mrs. Nathan Cohn. Mrs. H. E. Nicholson was chairman of the refreshment committee.

Mrs. A. B. Clarke, tent president, conducted a brief business session preceding the party.

• • •

Silver Link Rebekahs Hold Meeting

Preceded by a contributed dish dinner served early in the evening, regular business session was held Friday in the I. O. O. F. hall by Silver Link Rebekah lodge.

Mrs. Edw. G. Luke, noble grand, presided and only routine matters were presented.

At the conclusion of the lodge session card games were enjoyed during a social hour.

Memorial Drill Team And Guests Hold Get-Together

Members of the drill team that attracted much attention with its beautifully executed drill during the Memorial day exercises, and their husbands, held a get-together party and contributed dish dinner Friday evening in the W. R. C. Memorial hall in Ontario.

Decorations for the hall and the dinner tables emphasized the patriotic tri-color motif adopted by the drill team.

A welcome was extended by Mrs. R. Emerson Gilliland, director of the team, and invocation was given by L. L. Sturges.

During the dinner hour the husbands were introduced. Mrs. Ralph H. Marr and Mrs. R. L. Bachstein sang as a duet "God Bless America", with the audience joining in the chorus. Miss Beulah Youngblood accompanied at the piano. The pledge to the flag was led by Leslie Strawn, patriotic instructor for the Sons of Union Veterans.

Mrs. Marr entertained with two of her popular readings, which were greatly enjoyed.

With C. W. Jaggard, commander of the Sons, in charge, a colored motion picture and accompanying lecture, sponsored by the chamber of commerce, carried the audience on a visual trip through the national parks and other scenic areas. Title of the picture, "Vacation Time in the Rockies", explains the nature of the scenes.

A special feature of the evening was a happy surprise for Mrs. Gilliland. In appreciation of her efficient work as director of the team, the members presented her with a handsome table cloth. In expressing her thanks, Mrs. Gilliland praised the faithful cooperation of all members of the team.

Attending the meeting were: Mr. and Mrs. R. A. Martin, Mr. and Mrs. R. L. Bachstein, Mr. and Mrs. Leslie Strawn, Mr. and Mrs. Harry W. Martin, Mr. and Mrs. Grant Roberson, Mr. and Mrs. L. L. Sturges, Mr. and Mrs. R. E. Gilliland, Mr. and Mrs. W. H. Klepper, Mr. and Mrs. R. B. Biglow, Mr. and Mrs. P. H. Colling, Mr. and Mrs. W. A. Marten, Mr. and Mrs. Floyd Farrar, Mr. and Mrs. R. J. Kessler, Mr. and Mrs. Walter Thomas, Mr. and Mrs. Charles Crosslin, Mr. and Mrs. Wilbur Rowland, Mr. and Mrs. A. B. Clarke, Mr. and Mrs. R. H. Marr, Mr. and Mrs. D. E. Kelley, Mr. and Mrs. Roy Boles, Mr. and Mrs. Porter McAmis. Mrs. Elizabeth Taylor, Mrs. Florence Stamm, Mrs. Leila Baker, Mrs. Ida Miner, Mrs. Nora Kendall, Misses Ollie and Martha Cease, Frank Way and C. W. Jaggard.

Former Clay Center, Kansas, Friends In Reunion

A pleasant gathering of longtime friends was held Sunday when the Rev. Adam Jungmeyer and his daughters, the Misses Ede and June Jungmeyer, of Altadena, came out for a visit, first going to the home of Mr. and Mrs. W. H. Froelich, 385 West Twentieth street.

In the afternoon Mr. and Mrs. Froelich and the guests called at the home of Mrs. Froelich's brother-in-law and sister, the Rev. and Mrs. M. M. Horsch on North Eighth avenue. From there the entire group went to the home of another brother-in-law and sister, Mr. and Mrs. Albert Schmidt, 961 North Fifth avenue.

The Rev. Mr. Jungmeyer at one time was pastor of the church attended by Mrs. Froelich and her sisters in Clay Center, Kan., many years ago, and the occasional reunions always are happy events.

Before the guests departed in the late afternoon Mrs. Schmidt served a collation.

Foreign Missionary Society To Meet At Church of Nazarene

An all-day meeting of the Woman's Foreign Missionary society of the Upland Church of the Nezarene will be held at the church Thursday.

A covered dish luncheon will be served at the noon hour and the usual work and program will occupy the time during the day.

All women of the church and any others interested are invited to attend.

Miss MacKay and Club Board Make Plans For Biennial

As a courtesy to the officers and committee chairmen who will assist her during the coming year, Miss Hester MacKay, recently-installed president of the Upland Business and Professional Women's club, entertained the group at a smartly appointed dinner party Friday evening at the home of Mrs. Edna M. Brown, 1423 North Euclid avenue.

Plans were discussed for attending the forthcoming biennial convention of the National Federation of Business and Professional Women's clubs, which opens Monday, July 7, at the Ambassador hotel in Los Angeles.

Miss MacKay and Mrs. E. Tweed Stone, biennial chairman, will represent the local club as delegates. Mrs. Vivian M. Santolucito and Miss Geraldine Riggs will serve as alternates. Arrangements will be made so that some one will attend each session. Others of the members expect to go in for the barbecue on Wednesday evening, July 9, which will be held in Santa Monica.

A communication from the state forestry board was read, asking co-operation in preserving the forests, water-sheds and natural resources, and the board voted to back this volunteer movement.

An invitation was accepted to hold a picnic meeting in August at the home of Mrs. Douglas Black in Claremont.

Mrs. Jewell Teuscher, as vice-president of the club, is program co-ordinator and it will be her duty to assign the club members to the various committees to plan the club programs. Each committee chairman will serve as program chairman for one meeting.

Enjoying the hospitality of Miss MacKay were Mrs. Teuscher, Miss Geraldine Riggs, Mrs. W. Merle Rash, Mrs. Harry Plum, Miss Mabel Davis, Mrs. E. Tweed Stone, Mrs. F. H. Manker, Miss Lucille Stipe, Mrs. Paul G. Hottel, Mrs. William A. Gilliland, Mrs. Vivian M. Santolucito, Mrs. Douglas Black, Miss Elizabeth Wright, and Miss Helen Laur.

Special July Fourth Events Scheduled At Red Hill

Fourth of July celebration at Red Hill Country club will be a gala event, it is indicated by arrangements being made for the day.

The golf course will be a busy place throughout the day, with special tournaments being played. There also will be various swimming events and the pool is expected to be one of the popular recreation spots.

For the evening entertainment there will be dinner, dancing and fireworks.

Dinner will be served on reservation from 5 to 8 o'clock and dancing is scheduled to begin at 8:30, or at the conclusion of the fireworks display.

The highlight of the evening, of course, will be the city's fireworks display on Lone hill, to begin at about 8 o'clock.

The pyrotechnic display, which is expected to be especially brilliant this year, may be seen easily from the commanding height of Red Hill.

DuVall Family Home From Motor Trip

Mr. and Mrs. Clyde D. DuVall and their three sons, Tom, Ted and Dick, returned Sunday from a two weeks vacation trip. Going up the coast, the first stop of interest was made at Old Monterey and Carmel. There they called on a former Upland resident, Mrs. J. H. Payne. The DuVall family found many interesting things to see in San Francisco and enjoyed stays in four of the red woods parks.

At North Bend, Ore., they were shown the ship-building establishment and other sights by Robert Banks, father-in-law of Mrs. DuVall's nephew, Jack Granger. They missed seeing Jack and his wife there as planned, however, as Jack, a lieutenant in the R.O.T.C., had just been called to active duty at Pendelton, Ore.

Turning southward, the DuValls stopped at Crescent lake, where they saw Bleecker Wass, son of Mr. and Mrs. Warren H. Wass. They made a stop at Crater lake and motored for two days through the Mother Lode country. The last two days of the interesting trip were spent in Yosemite valley.

Miss Maxie Becomes Lovely Bride of Clyde Gibson

In the presence of approximately 50 relatives and friends, Miss Eleanor Irene Maxie of Upland became the bride of Clyde Gibson of Bell in an impressive ceremony performed at 7:30 Saturday evening.

The wedding occurred at the home of the bride's brother-in-law and sister, Mr. and Mrs. Bruce Horak, 1711 West Ninth street.

The bride is the daughter of Mr. and Mrs. Aimer Maxie, 910 West Twenty-first street, and the bridegroom's parents are Mr. and Mrs. Elva Gibson of Missouri.

Attractive decorative arrangement graced the room in which the ceremony took place. An ivy coverd arch stood before the fireplace and on each side were tall baskets of white gladioli and pink larkspur. Completing the garden effect was a small white picket fence covered with ivy and white Shasta daisies. Two white wedding bells hung from the center of the arch and two old fashion candle lamps, lighted, were placed on the mantle back of the arch.

The bridal party, entering the room to the strains of "The Bridal Chorus" from Wagner's "Lohengrin", stood beneath the arch for the single ring marriage ceremony, which was conducted by Dr. Samuel Hughes, pastor of the Upland Methodist church.

The bride, who was given in mariage by her father, was attired in a semi-tailored suit of light weight beige wool and with it she wore poudre blue accessories. She carried a white Bible adorned with an orchid.

The bride's only attendant was her maid of honor, Miss Dorothy Justice of Ontario. She wore a semi-tailored beige suit with dusty rose accessories and a corsage of gardenias and pink rosebuds.

Attending the bridegroom as best man was Minter Bennett of Bell.

Mrs. Maxie, mother of the bride, wore a dress of brown silk with brown and white accessories and a corsage of gardenias.

A reception was held immediately following the ceremony and a collation was served, with the bride cutting the first slices of the wedding cake.

Mr. and Mrs. Gibson left at once for a week at Big Bear. Upon their return they will make their home in Upland for the immediate present, residing at the Maxie home on Twenty-first street.

Mr. Gibson is employed as machinist in the Manasco Airplane Motors plant in Burbank.

Merry-Go-Round Club Enjoys Party at Beach Home

Because of the coming holiday, members of the Merry-Go-'Round club enjoyed their July meeting a week early, being the guests of Mrs. Claude B. Mattox at her home in Huntington Beach.

Luncheon was served by Mrs. Mattox at noon. Decorations of the table carried out a nautical theme.

Following luncheon, the group spent the afternoon in pleasant visiting while engaged with their needlework.

Guests of Mrs. Mattox included Mrs. W. B. Sage, Mrs. Annie Youngstrom, Mrs. J. B. Ford, Mrs. Mary E. Waterman, Mrs. Etta Jornston, Mrs. W. H. Scholten, Mrs. William Littlewood of Monrovia, Mrs. J. M. Hawthorne of Huntington Beach, club members; Mrs. B. C. Lapin of Monrovia, sister of Mrs. Littlewood, and Mrs. Tommy Renfro and Miss Rebecca Mattox, daughters of Mrs. Mattox. Mr. Hawthorne and Mr. Mattox joined the group for luncheon.

Garden Is Scene of Benson-Bleick Wedding

In a charmingly arranged garden wedding, Miss Dorothy Jane Benson, daughter of Mr. and Mrs. Charles VanMeter Benson, 895 Washington Blvd., and Charles Frederick Bleick of Los Angeles, son of Mr. and Mrs. Charles William Bleick of 217 North Vernon, Pasadena, were united in marriage in the late afternoon of Saturday, June 28.

The single ring ceremony, performed at 5 o'clock by Dr. Samuel Hughes, pastor of the Upland Methodist church, occurred in the garden at the home of the bride's uncle and aunt, Mr. and Mrs. William Manker, 325 West Sixth street, Claremont, and was witnessed by approximately 60 guests.

Potted palms and ferns, combined with the garden's own flowering plants and summer blossoms, provided a colorful setting for the nuptial event.

Miss Pauline Jacobs was the pianist, accompanying the soloists and playing the traditional processional, the "Bridal Chorus" from Wagner's "Lohengrin".

Miss Peggy Grahame sang two selections, "Through the Years" (Heyman-Youmans) and "Ich Liebe Dich" (Greig). Three violin numbers, played by Miss Genevieve Jacobs, were "Romance" (A. d'Ambrosio), "Intermezzo" (Heinz Provost), and "Air on the G String" (Bach).

The bride was charming in her wedding gown of white waffle pique fashioned with inset lace sleeves and inset lace band at the waist. In place of a veil she wore a tierra of blue delphinium and she carried an old fashion colonial bouquet of gardenias and blue delphinium. Her only jewelry was a strand of pearls, a gift from the bridegroom.

Attending the bride as maid of honor was Miss Helen Riley of Etiwanda. She wore a gown of light pink waffle pique and eyelet embroidery, cut with square neck and short sleeves. She wore pink carnations in her hair and carried a colonial bouquet of pink carnations, blue delphinium and white larkspur.

Strewing rose petals in the path of the bride, the flower girl was little Miss Dana Crow of Yuma, Ariz., niece of the bridegroom. She wore a short frock of pink organdy with a pink ribbon bow in her hair and she carried a flower basket filled with rose petals.

Howard Utman of Etiwanda attended the bridegroom as best man.

Mrs. Benson, mother of the bride, wore an afternoon dress of blue marquisette, and Mrs. Bleick, the bridegroom's mother, was attired in navy marquisette, also an afternoon dress. Each wore a corsage of gardenias.

The reception that followed the ceremony was held in the garden, the table from which a collation was served being set beneath the sycamore trees.

Mrs. F. H. Manker, grandmother of the bride, presided at the table, and the bride cut the first slices of the wedding cake.

When Mr. and Mrs. Bleick left for Big Bear, the bride wore a suit of beige faille with green accessories.

The bride is a graduate of Chaffey high school and junior college and she was a member of the Panther Women, the McDowell club and the Aero club of junior college. She recently was granted her private pilot's license.

The bridegroom, who formerly lived in Ontario, is a graduate of Chaffey high school and junior college and of the University of Southern California in Los Angeles, where he became a member of Phi Kappa Psi.

He now is employed as statistics clerk for the Aluminum Company of America in Los Angeles, and he and his bride will make their home in or near that city.

Little Gary Musser Has Two Birthday Celebrations

Little Gary Musser was one year old Monday, June 30, and that important first birthday anniversary was celebrated twice.

Yesterday his mother, Mrs. Harold C. Musser, gave a party in his honor at their home, 390 North Euclid avenue.

A number of tiny tots were his guests and they had a happy time playing with colored pictures, toys and balloon favors. They were served ice cream and slices of the birthday cake, which was topped with one lighted candle.

A number of gifts were presented to Gary.

Present for the party were Mrs. Robert Rope and Christopher, Mrs. Edwin LaRue and Shirley and Darrell, Mrs. Bill Schneider and Tommy, Mrs. Marvin Francisco and Richard, Mrs. Allan Barr and Charles, all of Upland; Mrs. Bill Nelson and Billy and Mrs. Dean Markley and Keith of Ontario; Mrs. Musser's sister, Mrs. George Eyer and Donald, and Mrs. Musser and Gary.

Mrs. Eyer assisted Mrs. Musser in entertaining the guests.

The first celebration was a family dinner given Sunday by Mr. and Mrs. Musser at their home.

Present on that occasion were Mrs. Musser's parents, Mr. and Mrs. A. H. Wenger; Mr. and Mrs. George Eyer and Donald, and Mr. and Mrs. Earl L. Wenger and Donald and Darlene, Mr. and Mrs. Musser and Gary.

BIBLE SCHOOL WILL CLOSE WEDNESDAY

Public Program in Evening And Picnic on Thursday Closing Features

Daily Vacation Bible school, in session during the past three weeks at the First Mennonite church under the auspices of the Upland Ministerial Union, will close Wednesday.

Marking the conclusion of the successful school, a public closing exercise will be held at the church Wednesday evening, beginning at 7:30.

Each department of the school will participate in the program, demonstrating memory work and other things learned in the school.

There also will be assembly singing by all of the children.

The school picnic will be held Thursday at Galvin park in Ontario. The children, and all parents who wish to attend, are to meet at the church at 8:30 and the group will go to the park at 9 o'clock. Each one is to take a box lunch and the "eats" will be served shortly after 11 o'clock. It is planned to return home by noon.

The school, with an enrollment of more than 100 pupils, has had an average daily attendance of 84. The children have been enthusiastic in the work and the Rev. Lester Hostetler, principal, and the teachers are highly pleased with the success of the school.

All parents and friends of the children are invited to attend the exercises Wednesday evening.

BUILDING FIGURES TAKE FINAL HIKE

June Tops $10,000 to Push Year's Six-Month Total Far Ahead of 1940

Final revision of building figures for June, including last minute permits filed yesterday, brings the total for the month to $10,271, a gain of $3,127 over June 1940.

Two new houses lead the month's construction items, totaling $5,000. Alteration and addition construction totals $4,200, while roofing and repair jobs account for $991. Commercial construction amounted to $80.

June brings the total for the first six months of 1941 to $122,371 as compared with $77,617 for the first half of 1940, giving a gain of $44,754 over construction of a year ago.

Final permits issued in June went to David Niswander, 308 Second avenue, for a new roof and alterations, and to F. B. Eckes, 442 East Arrow highway, for alterations.

Former Scouters Hold Reunion at E. E. Hawthorne's

Organizers of Upland Troop 4, Boy Scouts, enjoyed a founders' dinner on Friday evening at the home of Mr. and Mrs. E. E. Hawthorne. Those present for the occasion were Ralph Owen, Kobe Shoji, Richard Goodban, Morris Lusk, James Livermore, Duane Harris and Warren Hamilton.

Ralph Owen's presence inspired the meeting, inasmuch as he is on the U. S. S. Arizona stationed in Honolulu, and just happened to be in town, as was Kobe Shoji, who is working at Terminal Island this summer.

The boys decided that the time is now at hand when it will be increasingly more difficult from year to year to effect such reunions, so they made a permanent date to meet every year hereafter on December 24, whenever possible. They report a most enjoyable evening in going over old times and exchanging their new experiences.

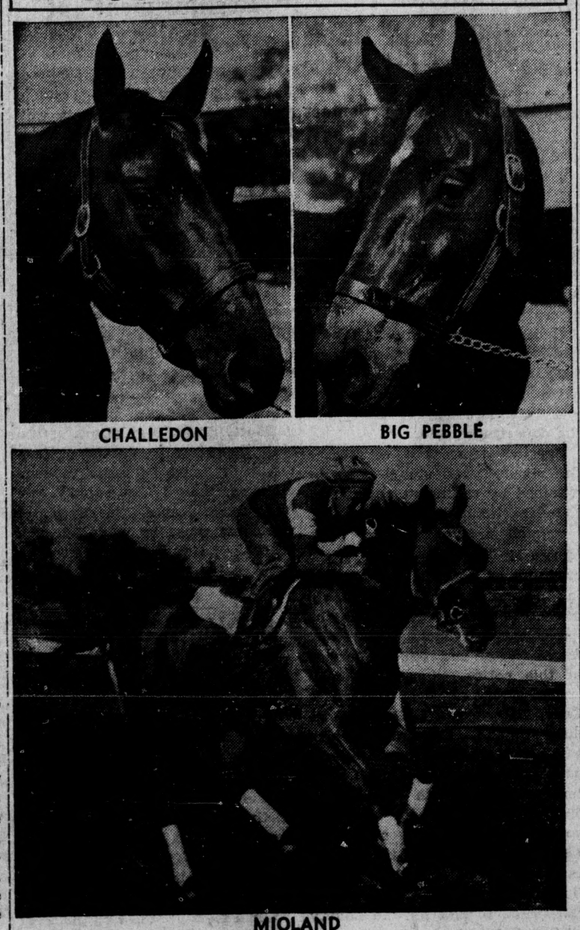

LIQUOR NETS $100 FINE

Crawford E. Jackson, Pomona salesman residing at 1143 East Holt avenue, Pomona, was fined $100 on a charge of driving while intoxicated when he appeared before Judge Mildred R. Puckett on Friday.

Pictured above are three of America's outstanding stars due to face the barrier in this rich stake.

Youth Gets Self Locked In For Night's Lodging

Sunday morning opening at Vaughn's service station on Foothill boulevard is usually a rather quiet affair, occurring as it does around 5:15 a. m. However, the procedure was a bit varied last Sunday morning, when, upon opening up, J. E. Vaughn found a 15-year-old youth inside who had slept in the rest room all night.

The lad, who gave his name as John Mark Ellis, 105 South Campus avenue, Ontario, was turned over to the police patrol which returned him to Ontario. He said he was bumming his way to San Bernardino.

Mr. Vaughn said that the place was locked securely when he opened up, so that no one could have gotten either in or out during the night. It is believed that the boy hid in the rest room before closing time and let himself be locked in for the night.

Legion Election Meeting To Hear Scouts Tell Trip

Annual election meeting of Upland American Legion will be held at the Legion club house tonight.

Special guests at the meeting will be John Anderson, Upland, and Rex Hamilton, Alta Loma, who have just returned from ten days spent in attendance at the annual conclave of "Boys' State" representatives of which convened in Sacramento.

The boys, who attended "Boys' State" sessions under the sponsorship of the American Legion and Upland Lions club, will tell those present of their experiences and the things they learned while in the state capital.

Joseph A. Hawes, Aged Resident, Dies

Joseph Anderson Hawes of Summit and Highland avenue, Etiwanda, passed away Sunday morning at 8 o'clock at his home. He was 84 years of age and was a native of Benson, Ill.

Mr. Hawes was a retired farmer and for nine years he divided his time between his daughter's home in Etiwanda and his son's home in Whitewater, Kan., remaining in Etiwanda for the last two years. He was a member of the Church of Christ.

He leaves three sons, Otis Hawes of Canoga Park, P. Jay Hawes of Arkansas City, Kan., and Will Hawes of Whitwater, Kan.; two daughters, Mrs. J. Arthur McCann of Etiwanda and Mrs. Charles Layton of Holtville.

Funeral service will be held at 2 o'clock Thursday afternoon at Richardson's chapel in Ontario, with the Rev. Seth E. Rehkop, pastor of the Upland Church of Christ, officiating.

Upland Custodian Completes Course In Care of Floors

Just sweeping and mopping floors may be enough for some people in the way of keeping them clean and in proper condition. But Vivian Harder, who serves as custodian of Upland's city hall, believes that any job worth doing is worth doing well.

Having the new floors of the city hall to care for, Mr. Harder decided that a little special knowledge might help him to do a better job of keeping these floors in proper condition. The result of his decision is that he has just completed a course with the Continental College of Floor Efficiency, Brazil, Indiana, which maintains a Los Angeles branch, and has received a diploma designating him as a "floor efficency expert".

The course which Mr. Harder has completed covers many phases of custodian work and the care and maintenance of floors. Through it he has learned the protection and reconditioning of wood, linoleum, cork tile, rubber, concrete, composition, Terrazzo marble, slate and tile floors, as well as carpets and various floor coverings. Mr. Harder has received his diploma certifying completion of the course, which he is now putting to practical and effective daily use.

Don't let a drunken friend take the wheel, advises the highway patrol. It is better to be discourteous than dismembered.

Upland Methodists In Long Beach for Annual Conference

Various members of the Upland Methodist church are attending all or part of the sessions of the annual Methodist conference that has been in session in Long Beach for several days.

W. W. Mather, official lay delegate from the church, and Mrs. Mather are remaining in Long Beach for the entire conference, as are the pastor, Dr. Samuel Hughes, and Mrs. Hughes.

In a group attending the sessions Sunday were Mr. and Mrs. John E. Engle, Miss Capitola McClair, Mrs. H. O. Henderson and Mrs. Flora S. Allen.

Other members of the church attended sessions last week and several will attend during the final days this week.

The conference will close Wednesday evening, when the pastoral appointments will be announced.

A rousing time is likely to occur just before breakfast.

NO. PA 1026
NOTICE OF SALE OF REAL AND PERSONAL PROPERTY AT PRIVATE SALE

In the Superior Court of the State of California, in and for the County of San Bernardino.

In the Matter of the Estate of ELEANOR H. MARKLE, Deceased

Notice is hereby given that the undersigned, Lee Bigley, Administrator With the Will Annexed, of the Estate of Eleanor H. Markle, Deceased, will, on the 10th day of July, 1941, sell, at private sale to the highest and best bidder, upon the terms and conditions hereinafter sea forth, and subject to confirmation by the above named superior court, all the right, title, interest and estate of the decedent which the decedent had at the time of her death, as well as all the right, title, interest, and estate which has since accrued, by operation of law or otherwise, to the estate of said decedent since her death, in and to the following described real and personal property:

Lot 6 of Schowalter's Subdivision, as per plat recorded in Book 19 of Maps, page 75, records of San Bernardino County, California, together with ten shares of water in the Schowalter Mutual Water Company, represented by Certificate No. 74 for ten shares of the capital stock of said company.

Lot 7 and the South 25 feet of Lot 8 and the East 43 feet of the North 75 feet of the South 381 feet of Lot 13 of Mountain View Tract, in the City of Monrovia, County of Los Angeles, State of California, as per map recorded in Book 12, page 144 of Maps. Also a strip of land 75 feet long and 14 feet wide, lying parallel and adjacent to the west line of said Lot 7 and the South 25 feet of Lot 8 of said tract, being that portion of the alley running through said block vacated by Ordinance No. 625, adopted June 9, 1914, by the Board of Trustees of the City of Monrovia; copy of said ordinance was recorded March 19, 1919, in Book 272, Miscellaneous records of said County.

Certificate No. 45, for ten shares of Class A Stock in the Production Credit Association of San Bernardino County, California.

Miscellaneous furniture and equipment used in connection with the Markle Sanitarium, at Alta Loma, California, consisting principally of beds, bedding, hospital equipment, and household furniture.

Miscellaneous accounts receivable, including revolving fund credits in the Mountain View Fruit Association of Upland, California.

The terms and conditions of sale are as follows: Cash, in lawful money of the United States, except as to the first parcel above described, which may be purchased subject to liens and encumbrances on the land and water stock, which may be included in the price bid; ten per cent of the amount bid to be paid at the time of the acceptance of the bid; the balance on confirmation by the superior court; deeds and instruments of title at the expense of the purchaser.

Commission, not exceeding five per cent, will be allowed to the real estate broker whose bid is accepted by the court on any parcel of real property.

All bids and offers must be in writing and delivered to the undersigned Administrator with the will annexed, at the office of his attorney, Newel S. Crowley, 289 N. Second Avenue, Upland, California, or may be filed in the office of the clerk of said court above named, at any time before making the sale.

Dated June 20, 1941.
LEE BIGLEY,
Administrator With the Will Annexed of the Estate of Eleanor H. Markle, Deceased.

1,200 AIRCRAFT JOBS ARE OPEN

Applicants Asked to Contact State Employment Office

The California Department of Employment has announced nearly 1,200 jobs are open to persons who can qualify for them, at one of the large Southern California aircraft factories.

Generally, applicants must have had experience, furnish their own tools, a copy of their birth certificates or final citizenship papers, and transportation to the plant, the department said.

Specific information concerning the jobs, it was stated, may be obtained by calling at any one of the department's 81 offices.

LARRY ROSS TO TRY COMEBACK

Larry Ross, highly-touted San Diego heavyweight, who ran out of gas and folded up at the end of the third round three weeks ago, will return to main event action at Ontario Legion stadium tonight, determined to win the respect of valley boxing fans.

When Ross caved in on his stool and failed to answer the bell for the fourth round the last time out, everyone concerned put it down to lack of condition. He had looked good in a hard fight up to the resigning point. Ross, however, says everyone was wrong and that it was a severe cold which put him out of action, not a lack of condition.

He fights Jimmy Wilson, 188-pound San Bernardino slugger, who says that regardless of whether Ross had a cold the last time, he'll knock him cold if he isn't in shape. It ought to be quite a battle.

Frankie (Wonder Boy) Osuna. San Diego, and Tony Lazano, Los Angeles, fight the semi-windup at 118 pounds. Frankie is a terrific puncher and Lazano an adroit boxed good at avoiding the dynamite.

Gene Cummings, popular Chino 138-pounder, and Daniel Avila, Riverside, a pair who like stormy going, are carded in the special event.

Merchants Told How to Redeem Cotton Stamps

Merchants selling 100 per cent American grown, processed, and manufactured cotton products in San Bernardino county will shortly be in line for increased business from farmers and public assistance families participating in the cotton program of the United States department of agriculture. In pointing this out, Owen E. Atwood, of the cotton industry committee, added that all merchants should be thoroughly familiar with the rules and regulations governing the operation of the program before accepting or redeeming cotton stamps.

GOVERNMENT REDEEMS STAMPS

Mr. Atwood said, "After the merchant accepts the cotton stamps in the prescribed manner for 100 per cent American cotton products, he pastes them on stamp cards supplied by the Surplus Marketing Administration. He then signs a statement on these cards that his store has accepted the stamps in accordance with the government rules and regulations, and forwards them to the Surplus Marketing Administration for redemption. He should receive a United States government check within a week in payment of his claim."

Patience Will Aid Readjustment of Security Claims

An appeal to all recipients of old age security and state aid to the blind not to flood county welfare departments with inquiries regarding the status of their cases was issued today by Martha A. Chickering, director of the state department of social welfare.

The counties must review individually the entire 162,000 aged and blind cases in the state. It was pointed out that the more inquiries received by the county welfare departments the less time will be available to work on each case.

All recipients are urged to be patient. Under regulations of the state department of social welfare payments must be made to eacr recipient in July as rapidly as his case is cleared. In any event payments must be made to each probably be several days late due to expected delay in the receipt of federal funds by California.

AGED PIONEER OF WEST END PASSES

William Orchard, 97, Now At Rest as Long Life Comes To End

Death claimed one of the oldest pioneers in the West End when William Orchard passed away at 3 o'clock Saturday morning at his home, 401 North Twelfth avenue.

Mr. Orchard was one of, if not the oldest of the early day pioneers both in number of years and in length of residence. He was 97 years of age and had lived in Cucamonga, Etiwanda and Upland for 70 years.

A native of Whiteheven, England, Mr. Orchard came to this country 70 years ago, settling first in the district now known as the West End of the county.

He was a nephew of the late John A. Archibald, who was associated with the Chaffey brothers in developing the West End communities. Mr. Archibald laid out the town of Cucamonga and Mr. Orchard was associated with him at that time and later became a successful vineyardist.

During the past few years he lost his health and grew very frail, although he never lost the keen sense of humor, the friendliness and thoughtful kindness that endeared him to his family and many friends. Throughout those years he received the constant and devoted care of his daughter, Miss Amy Orchard.

Mr. Orchard's wife passed away in 1926 and surviving him, besides his daughter, are a son, John Orchard of Alta Loma; five grandchildren, four step-children and seven grand step-children.

Funeral service was held at 3 o'clock this afternoon at Stone's mortuary chapel, the officiating minister being the Rev. George West Barrett, rector of St. Mark's Episcopal church.

Several hymns were sung by a quartet, Mrs. Clarence Byer, Mrs. Ralph Byer, Mrs. Levi Nissley and Mrs. Ben Lenhert.

Pallbearers were Jake Shugart of Ontario, Judge Thomas Donnelly of Etiwanda, Roy Creighton, A. E. Stempel, J. G. Stoebe, W. E. Richesin and I. E. Book.

Interment took place in Bellevue cemetery.

Padua Hills Offers Comedy of Mexican Itinerant Show Life

Showboats are unknown in Mexico, but it has just as quaint and interesting entertainment as that of our inland rivers in its tent show troupes that travel from town to town, to judge by "Hoy! La Familia Rojas", the Mexican Players' production having a return engagement at the Padua Hills theatre.

In the short period of an hour and a half, the Padua players give a surprisingly complete picture of a novel form of entertainment in Mexico, intermingling comedy, Spanish melodrama and romance in unfolding the arduous life of the Rojas family striving to entertain the public.

Such novel Mexican theatrical customs as having a play reader, in plain sight, intoning the entire script of the play, line for line, in a whisper, and the company orchestra leaving their stands to take fill-in parts on the stage, are highly entertaining features.

Each performance of the play, Wednesday through Saturday evenings, and Wednesday and Saturday afternoons, is followed by a Jamaica, or typical Mexican street fair, under the olive trees of the theatre patio.
